

**T**eachCamp 2024, held from 19th-21st December, 2024 at The Daly College, Indore, was nothing short of extraordinary. Bringing together 640 delegates, this three-day intensive teacher training camp proved to be a milestone in professional development, combining innovation, collaboration, and world-class expertise.

TeachCamp reached a broader audience by including both in-service teachers and B.Ed college students, reaffirming its mission to empower educators at every stage of their journey.

**The camp featured 27 masterclasses led by 9 expert trainers, providing 54 hours of intensive training and an additional 5 hours of focused revision.**

The sessions delved into 10 cutting-edge topics designed to address the evolving needs of educators:

1. Understanding AI and Tools to Use: Exploring AI's role in modern classrooms.
2. Integrating Subjects – Step by Step: Breaking silos to create interconnected curricula.
3. How to Design a Relevant & Rich Project for Learning? Practical strategies for impactful project-based learning.
4. Differentiation – How to Connect with Each Student? Catering to diverse learning needs.
5. Lesson Planning – Panchpadi & UbD: Streamlining

lesson plans with proven methodologies.

6. Emotional Hooks in Lesson Planning: Capturing attention and creating memorable lessons.
7. Creativity, Critical Thinking & Reasoning: Nurturing essential 21st-century skills.
8. Curricular Aims, Goals, Competencies & Learning Outcomes: Aligning teaching with outcomes.
9. Misconceptions About Learning – The Science of Learning: Dispelling myths with evidence-based practices.
10. Career Paths for Teachers – How to Grow as an Educator? Supporting professional growth and development.

Beyond the training sessions, TeachCamp celebrated teachers. A heartfelt thanks goes to Dr Gunmeet Bindra, Principal of The Daly College, for her visionary leadership, and to the master trainers, whose dedication elevated the camp's quality. Gratitude also extends to the progressive schools that sent over 600 educators, and to Smita Bharadwaj, Chairperson of the Madhya Pradesh Board of Secondary Education, for her unwavering support.

With its focus on empowerment and innovation, TeachCamp has set a benchmark for teacher training in India. In the following pages, meet our team of Master Trainers, the extraordinary individuals who made it all possible. .
